

Vermont Mesothelioma Victims Center Has Endorsed Attorney Erik Karst of Karst von Oiste to Ensure a Navy Veteran with Mesothelioma in Vermont Receives the Best Possible Compensation-Why Settle for Less

BURLINGTON, VERMONT, USA, July 1, 2020 /EINPresswire.com/ -- The Vermont Mesothelioma Victims Center has endorsed, and they recommend attorney Erik Karst the founding partner at the law firm of Karst von Oiste to ensure a Navy Veteran or person with mesothelioma in Vermont receives the best possible financial compensation results. Erik and his amazing colleagues at the law firm of Karst von Oiste have been assisting Navy Veterans and people with mesothelioma for decades and they have produced over a billion dollars in compensation results for their very valued clients nationwide. Before a Navy Veteran or person in Vermont with mesothelioma hires a lawyer to assist with their compensation please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. www.karstvoniste.com/

The Vermont Mesothelioma Victims Center is extremely concerned 2020 will go down as one of the worst years for mesothelioma compensation because mesothelioma and the Coronavirus have such similar symptoms. They fear that many Navy Veterans and people who had

mesothelioma were misdiagnosed with the Coronavirus rather than mesothelioma. Without a proper diagnosis of mesothelioma-financial compensation is next to impossible. "If you know your loved one had extreme exposure to asbestos, and he is now in the hospital with pneumonia-please tell the doctors who are treating him about the asbestos exposure. The average person with mesothelioma in the US is about 72 years old as we would be happy to discuss at 800-714-0303."
