OMAHA, NEBRASKA, USA, June 30, 2020

/EINPresswire.com/ -- The Nebraska US Navy Veterans Mesothelioma Advocate says, "We are urging a Navy Veteran with recently diagnosed mesothelioma anywhere in Nebraska to get serious about their compensation and to call 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste. In the event the Navy Veteran or person with mesothelioma is unable to call Erik on their own we are appealing to their wife or adult children to call Erik. Because of the Coronavirus many people with mesothelioma and or their family members have put off starting the compensation process and even medical treatments out of fear of getting COVID-19. Please don't-do this.

"The reason we have endorsed attorney Erik Karst of the law firm of Karst von Oiste is because he and his remarkable colleagues have been assisting people with mesothelioma for decades and they are responsible for over a billion dollars in financial compensation for people like this nationwide. If a person with mesothelioma in Nebraska or their family would call attorney Erik Karst of Karst von Oiste at 800-714-0303 we are certain you will discover him to be an amazing recourse. You will be glad you called Erik. Mesothelioma compensation for Navy Veterans frequently exceeds a million dollars." www.karstvonoiste.com/
