

# Montana US Navy Veterans Mesothelioma Advocate Urges the Family of a Navy Veteran with Mesothelioma in Montana to Call for Direct Access to Attorney Erik Karst of Karst von Oiste-Ensure a Better Compensation Result

MISSOULA , MONTANA, USA, July 1, 2020 /EINPresswire.com/ -- The Montana US Navy Veterans Mesothelioma Advocate says, "We are urging the wife or adult son or daughter of a Navy Veteran who has just been diagnosed with mesothelioma in Montana to call 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste to discuss financial compensation. We are concerned that once a Navy Veteran learns that they have mesothelioma-they or their family will avoid contacting lawyers to discuss compensation-and medical treatment-because of the Coronavirus.

"Erik Karst is one of the nation's leading mesothelioma attorneys, he and his colleagues at the law firm of Karst von Oiste have been assisting Navy Veterans and people with mesothelioma for decades and they are responsible for over a billion dollars in compensation results for people like this.

Mesothelioma compensation is a one shot deal and if you hire a local car accident attorney or a lawyer who has no clue of what they are doing--the mistake could cost the person with mesothelioma hundreds of thousands of dollars or more in compensation. For direct access to attorney Erik Karst of the law firm of Karst von Oiste please call 800-714-0303. Frequently mesothelioma compensation for Navy Veterans exceeds a million dollars."
