

# Registration is now open for SMi Group's 9th Annual Military Flight Training Conference

*SMi Group reports: The agenda has been released for this year's Military Flight Training Conference in London, this October*

LONDON, LONDON, UNITED KINGDOM, May 15, 2020

/EINPresswire.com/ -- Building on the success of last year's event, SMi Group are pleased to announce the return of [Military Flight Training](#) for its 9th year running. The conference will be taking place in London, UK on the 7th and 8th October 2020.

The newest additions to [this year's programme](#) include representation from the UK MoD, new speakers from the US and new speakers from multinational training schools.

In addition, the two-day event will delve into the latest topics and trends shaping the future of synthetic training, retention and training, gaming technology and more.

For those interested in attending, there is a £400 early bird discount expiring on 29th May. Register at <http://www.militaryflight-training.com/einpr1>

## Featured Expert Speakers

- Group Captain Chris Mullen, Commandant No1 Flying Training School, Royal Air Force
- Colonel George Ferido, 110th Aviation Brigade Commander, U.S. Army Aviation Center of Excellence
- Colonel Fernando Raimundo Martinez, Commander, ETAC – European Tactical Airlift Centre
- Colonel Karel Valvoda, Director, Multinational Aviation Training Centre, Czech Armed Forces
- Major Michael Rosenquist, Project Manager Military Flight Training System, Swedish Air Force

The poster features a dark blue military jet in flight against a green background. A white box on the left contains the text: 'MILITARY FLIGHT TRAINING' in large green letters, '7 - 8 OCTOBER 2020' in black, and 'LONDON, UK' in black. The SMi logo is in the top right corner, and the website 'www.militaryflight-training.com' is at the bottom. Below the poster, the text 'Military Flight Training 2020' is displayed.

•Confirmed Senior Representative, Air Force Security Assistance Training Squadron, US Air Force

As the conference programme is still growing, delegates can find real-time updates on the event website at <http://www.militaryflight-training.com/einpr1>

This international event provides the perfect opportunity for flight training professionals to gather and share their experiences to ensure that the pilots of the future are ready to fight and win.
