

# UP PERISCOPE, Putting Traditional Leadership in the Crosshairs is Now Available on pre-release

*So unique it has a patent published on the system.  
Building on our first best-selling book this is a leadership  
System wrapped around the hull of a submarine.*

AUGUSTA, GEORGIA, UNITED STATES, May 15, 2020 /EINPresswire.com/ -- Experiencing this book,

“

Up Periscope is a must read for emerging and established leaders who are focused on both improving their bottom line and the lives of those they serve.”

*Deke Copenhaver Former  
Mayor, Augusta, GA*

introduces the reader to one of the most difficult environments on earth, where leaders forge their leadership under stress. It blends our patent published leadership development model with specific tools and applications pulled from our clients successes. Relevant, completely applicable, it adds stories of life beneath the ocean directly from the co-author who lived it for nearly 15 years, juxtaposed with business experiences and business applications. You can jump ahead to our [Amazon book link](#) if you care to, or read on.

Specific areas you will gain a deeper understanding and knowledge of include:

-This innovative approach to leadership will entertain with stories of life on a submarine. You will feel the world of the submarine, and experience what a “hot rack” is.

-Learn the Five Anchors of Leadership that will transform any leader or organization.

-Watch your ROI improve by employing the System, Methodology, and Process, along with the Five Anchors.

-Develop your leaders and reduce harassment, bullying and other workplace issues.

-Learn the 6 secrets of the silent service, that for over 100 years has developed 18-year old sailors into mission-focused, fighting machines.

-Get business leaders off the hamster wheel of internal focus that just hires and fires, without moving the business forward.
