(Investorideas.com newswire) – Breaking cannabis/CBD Technology stock news - Sun Kissed Industries Inc. (OTCMKTS:SKDI), ("Sun Kissed", "SKDI", or the "Company"), an emerging leader in the technology and CBD Food & Beverage marketplaces, is pleased to announce that PushNote, a wholly owned subsidiary, has signed their 1st affiliate marketing deal with eBay, Inc. (NASDAQ: EBAY) one of the largest auction, consumer to consumer and business to consumer marketplaces in the world.

PushNote's platform allows for rapid marketing, 'pushing', to your followers. When combined with a platform like eBay, with over 1 billion listings (stats by Oberlo.com), PushNote facilitates a mass marketing venue for eBay sellers and store owners. E-mail is still unreliable when it comes to delivery and opens. Using PushNote, both those concerns are mitigated, allowing for real-time statistics and increased listing views.

eBay has a worldwide user base of over 180 million with 1+ billion listings according to Oberlo.com. Q4 in 2019 saw \$22 billion worth of goods sold with 80% of those items classified as 'new'. In addition, eBay now has an App store where eBay approved apps are listed for 'My eBay' integration and listing facilitation.

PushNote will be submitting the latest build for eBay App Store listing approval this month.

Carl Grant, CEO of Sun Kissed, said "We are excited to announce this '1st of many' affiliate marketing deals with eBay. PushNote developers are preparing for eBay integration and eBay

App Store listing. Our platform will be a game changer for eBay stores and sellers' marketing efforts. Additional affiliate marketing agreements are in discussions."
