

Affordable-Papers.net Presents New Website Redesign

NEW YORK, NEW YORK, USA, May 25, 2020 /EINPresswire.com/ -- Today, thousands of students prefer to request writing help online to ease their academic burden. There is nothing surprising about that: modern educational system is pretty tough and the requirements of colleges and universities are not easy to meet. Learners entrust their tasks to professional writers to receive samples and get guidance on how to deal with their assignments. Everything sounds pretty appealing, but there is one small issue here: not all writing companies can be trusted.

To help you make the best choice when looking for an academic company, we prepare reviews and share our impressions about different resources. Today's object of our interest is Affordable-Papers.net. We have checked this company and will gladly share our thoughts and conclusions with you.

Company's website

The first impression of affordable-papers is pretty positive. The service has a well-designed and good-looking site with convenient and clear navigation. There is also a mobile version of the website, so you can easily order papers and track the progress via cellphones and tablets. There are different informational sections to be found here. You can read instructions, terms and conditions, revision policy, and other materials presented in various sections of the site. This makes company's work transparent.

Ordering process

Ordering papers at affordablepapers is fast and simple. There is an Order Form where you should leave the following details:

- Subject and topic

The spectrum of available subjects is extremely rich here. Students can hire writers in different disciplines, including Math, Biology, Engineering, Literature, Art, and more. The company promises to find a matching writer with a relevant background to provide students with accurate and well-done papers.

- Deadline

The shortest deadline you can choose is three hours, while the longest one is two weeks. Be

mindful that the less time you have, the costlier your paper will be.

- **Formatting**

You can choose MLA, APA, Harvard, or Chicago/Turabian formatting style for your document. This is a free feature, so you won't have to pay any additional fees.

- **Sources**

Pick the number of sources required for your task. You can request copies of works used (for \$4.99 per source). If you have files to add, there is a special field for that.

- **Writers**

You may choose a Basic writer for free or opt for Top and Advanced helper for a small fee. If this is not your first ordering experience, you may request the previous writer. Add his/her ID to activate this option.

- **Contact information**

The service requests your email and mobile number to let Customer Support reach you in case of need. They guarantee that your personal data is safe and confidential.

After you are done with instructions, the system will automatically transfer you to the payment page. The company accepts various payment methods, including Visa, MasterCard, Discover, and JCB. On the next stage, you get a writer hired and the process starts. During the writing session, you can write direct messages to your helper, send additional files, and ask about the progress.

Guarantees

- **Money-back Guarantee**

You can request your money back if the final version of the paper doesn't satisfy you.

- **Fast delivery**

All papers are claimed to be done and delivered earlier than your deadline approaches.

- **Safety**

The company claims that your personal information is encrypted and safe.

Features

- **Adjustments**

In case your initial instructions were not followed, you can ask for a free revision. The amount of revisions is not limited.

- **Discounts**

Don't forget to apply a promo code 7DISCOUNT when placing your first order. The company provides first-time customers with 7% discount.

- **Add-ons**

You can ask for additional services like Plagiarism Report, Charts and Tables, VIP Customer Service, Table of Contents, Editor's Check, Abstract Page, etc. These are paid features that cost \$3.9 - \$14.99. There is also a free feature – Simple English. International students will definitely appreciate it.

Affordable-Papers.net is one of the companies one can recommend. Here you will get fast help with your papers for low prices. The company's work is clear and transparent – you can find a lot of information about its policies and conditions on www.affordable-papers.net.
