“We’re so excited to introduce our new k9capsules-plus” said Tom Bauer, Managing Member of Imbue Botanicals. “Recent research suggests that stronger potencies may well benefit canines with regards to certain issues. Having a stronger product especially for larger breed canines ensures we are providing the right choices for pet owners. Specifically for larger dogs with the most demanding issues, we’ve developed our strongest im·bue K9 capsule yet. Our vegan capsules are colored with natural chlorophyll and contain the same Full Spectrum formulation, just in significantly higher concentration.”

Imbue Botanical’s introduced its [k9comfort-plus](#) tincture last fall. Packing a powerful 250 mg of
