

# More About MS: An Online Forum for Living with MS

*Consortium of Multiple Sclerosis Centers (CMSC) to Host Free Patient, Family and Caregivers One-Day Virtual Educational Program*

HACKENSACK, NEW JERSEY, UNITED STATES, May 21, 2020

/EINPresswire.com/ -- The Consortium of Multiple Sclerosis Centers (CMSC), the leading organization for healthcare professionals involved in MS care, announces its 2nd Annual [More About MS](#). This unique one-day patient educational forum is specifically designed for those wanting to increase their knowledge of MS and will take place Saturday, May 30, 2020 as a virtual forum.

“

In partnership with Catamount Medical Education we are excited to be able to offer this virtual MS patient program since we can not meet face-to-face in Orlando as originally planned”

*June Halper, CEO, CMSC*

United States in 1977, renamed “The Schapiro Center for Multiple Sclerosis” at the Minneapolis Clinic of Neurology in 2004. Dr. Schapiro also founded the first MS Achievement Center, a wellness day care program in the early ‘80s.

The [educational agenda](#) also includes: “Research Advances in MS;” by Gary Birnbaum, MD, FAAN,

The banner features a green background with a white silhouette of a person watering two pink brain-shaped flowers. The text reads: "More About MS" in a grey box, "COMING OF AGE WITH MULTIPLE SCLEROSIS" in large white letters, and "An educational program for those interested in updating their knowledge of multiple sclerosis" in smaller white text.

"More About MS," A Free Virtual Patient Education Program

The theme for this year’s More About MS program is “Coming of Age with Multiple Sclerosis.” This online conference will feature top neurologists, researchers and specialists involved in MS care as well as industry supporters presenting products, services and wellness solutions for optimum quality of life.

More About MS from 12 Noon – 3:00 pm ET, on May 30th will include opening remarks and a presentation on “Aging and MS” by the Program Chair, Randall T. Schapiro, MD, FAAN. Dr. Schapiro founded one of the first comprehensive MS Centers in a private practice in the

FANA; "MS Perspectives from a Neurologist who has MS;" given by Peter Wade, MD; and "Rehabilitation and Wellness in MS;" led by Patricia Bobryk, MHS, PT, MSCS, ATP.

This free program will also feature a patient video highlighting their perspective of coming of age with MS as well as interactive opportunities to engage patients, caregivers and the program presenters including question and answer sessions and live polling questions.

"In partnership with Catamount Medical Education we are excited to be able to offer this virtual patient program since we can not meet face-to-face in Orlando as originally planned. More About MS will now be accessible to a wider audience and from the comfort of their homes," said June Halper, CEO, CMSC.

The More About MS program is complimentary and registration is required at
