

# Luvyle Comes Up With Attractive Discounts For First Time Buyers And Bulk Purchases

*Bulk purchases on women's wear will fetch in more benefits for buyers as the store is all set to provide exciting offers and discounts.*

HONG KONG, CHINA, May 21, 2020 /EINPresswire.com/ -- With an aim to boost the spirit of its loyal and returning shoppers and to encourage new ones to join its valued clientele list, Luvyle, a leading ecommerce fashion store, recently started to offer huge discounts and offers to first-time buyers along with those who make bulk purchases. Going by the claims of the owners, the [cheap cute clothes](#) score well in terms of quality and cuts. Hence, the company is placing high hopes on the upcoming sales.

Women styles have undergone massive changes in all these years, owing to which the designers who have collaborated with this much reputed site had to think of experimenting with new looks. "There is a strong need to make a fashion statement wearing such great clothes. A smart choice will reap in benefits aplenty in terms of catering to one's satisfaction, and also not hurting the financial zone. Ladies can highlight the best of their body features wearing our clothes, since those have always resonated with what they usually look for," said one of the chief spokespersons for the company.

The e-store is currently offering an array of items under the bulk purchases and first time discounts, including [cute T shirts](#), fashionable dresses in asymmetrical cuts, floral, printed and striped blouses and also bottom wear. Once the selection is done, customers can visit their shopping cart and just before they process the total amount, the discounts will be applicable likewise, depending on the number of purchases and exceeding a certain amount, as specified by the company.

The CEO of Luvyle who was present in the press meet few days back said, "It has not been an easy ride for us, especially with the online market now flooded with competitors. But we thank our loyal customers and this is just an act to express our gratitude towards them. Also, for the first-time customers, there must be some pull factor, which would draw them to our store and vest the belief that we are dependable as a unit. So, we're assuring good discounts on the overall purchases that they would make."
