“

So Beautiful by John Michael Ferrari ... a perfect #lovesong”

*Pepper Jay*

John Michael Ferrari is known for his story-telling ability to share life’s emotions and predicaments. In “So Beautiful,” John Michael explores deep love relationship and the heart-felt emotions that comes with it. He describes emotions in clever unpredictable ways. With a voice like a cross between Johnny Cash, Neil Diamond, and Jackson Browne, with just a dusting of Kenny Rogers, one imagines

“So Beautiful” accompanying a bride walking downing the aisle, a newly married couple’s first dance, or that “special song”. A perfect #lovesong to express the overwhelming beauty of love.

“So Beautiful” was produced by Pepper Jay and recorded at Larry Beard Studios, Nashville, TN. Pepper Jay and John Michael Ferrari send a special thank you to Eli Beard (Bass), Larry Beard (Acoustic Guitar), Evan Hutchings (Drums), Troy Lancaster (Electric Guitar), Billy Nobel (Keys), Russ Pahl (Steel Guitar), Jim “Jimbo” DeBlanc (Tracking / BGV Engineer), Rob Lane (Vocal Engineer), David Buchanan (Mix Engineer), and gorgeous background vocals of Tania Hancheroff, which captivate the listener at once.

“So Beautiful,” aptly named. Lovely lyrics and sweet-sounding music. Listen, repeat, listen, repeat, smile, share, repeat!
