

# Houston Luxe Properties Group Adds Highrise Finder Service to its Properties Portal

*One of the Houston metro area's leading real estate groups has added a new feature for buyers.*

SUGAR LAND, TEXAS, US, May 25, 2020 /EINPresswire.com/ -- Representatives with [Houston Luxe Properties Group](#) announced that the company has added a [Highrise Finder](#) service to its properties portal.

"We're excited to add this new service to help buyers find suitable properties in a highrise building in Houston," said Sherry Shubert, realtor and spokesperson for Houston Luxe Properties Group, a company with more than 10 years of experience in real estate and more than 20 years of experience in loan origination/mortgage underwriting.

"Our Highrise Finder search service will help you find every highrise apartments and condos currently for sale in Houston with their pricing, pictures, description, and more," added Shubert.

"Each highrise listing carries details such as multiple photos, detailed description, its location on the map," highlighted Shubert. "We even show you nearby listings similar to the property you are viewing, which helps you research and find your ideal property."

"You can even ask us a question about the property or schedule a COVID-19 Safe Tour conveniently at the click of your lazy mouse," continued Shubert.

There are hundreds of listings in the Highrise Finder section of our Houston properties portal, and you are sure to find the property you have been looking for.

Houston Luxe Properties Group, a member of the Fort Bend Chamber of Commerce, is a hybrid real estate company with Zillow like search capabilities, property details, and AVN Estimate (Actual Valuation Model of the property).

The company provides options to where individuals can select the Advanced Search and insert specific criteria to filter their Search quickly and easily. For example, if a person wants a home within the Fort Bend County school district built in 2020 with 2 acres of land, the company's

system will net a variety of homes and properties in seconds. Advanced Search categorizes results in General, Interior, Exterior, and Community features.
