

# Royal Navy Vice Admiral Jerry Kyd to Present Briefing at Defence Safety Conference 2020

*SMi reports: Vice Admiral Jerry Kyd, Fleet Commander, Royal Navy will present a crucial safety briefing at this year's Defence Safety Conference*

LONDON, UNITED KINGDOM, May 26, 2020 /EINPresswire.com/ -- SMi Group's [Defence Safety Conference](#) will return to London for its third year on 5th - 6th October 2020. Supported by the UK MoD Defence Safety Authority for the third year in a row, the conference aims to build on last year's success, with representation from 10+ countries to explore the safe delivery of defence capabilities across the land, air and maritime domains, providing a holistic overview of safety within the military.

Last year, the event boasted a line-up consisting of senior military, safety regulators, operators and providers, including 4 essential briefings from the UK MoD, showcasing the latest strategies and technologies being used to enhance safety within defence.

Interested parties can learn more or register for the conference at: <http://www.defencesafety.com/EINpr2>

This year, the conference will include a crucial safety briefing from the Royal Navy:

"Warfighting, Safely: The Right Culture to Maximise Operational Effectiveness"

- The purpose of Navies and reality of the job – being “safe” in order to deliver violence to our enemies?
- Embedding safety in our operational thinking – the importance of leadership and

The poster for the Defence Safety Conference 2020 features a central globe composed of various military and defence-related images. The text on the poster includes the event title, dates, location, and supporting organizations. The SMi logo is in the top right corner, and the Defence Safety Authority logo is in the bottom right corner.
