

SystemDomain Partners with Hitachi ID and Builds Center of Excellence to Lead Enterprise IAM Solutions

SystemDomain, today announced its Services Partnership with Hitachi ID to provide reliable, efficient and innovative Professional Services for IAM Solutions.

CHICAGO, IL, USA, June 17, 2020

/EINPresswire.com/ -- SystemDomain,

Inc, a leading leading diversified IT Professional Services company, and Hitachi ID, an [analyst-recognized IAM leader](#), today announced a services partnership. The agreement helps both companies rapidly accelerate and implement state-of-the-art solutions to efficiently protect enterprises, their customers, shareholders and employees.

"Our new Center of Excellence focuses on providing executives and their teams with superior customer experiences leveraging the comprehensive Hitachi ID platform" said Shubhi Garg, CEO, SystemDomain, Inc. "In addition to our existing IT Professional Services portfolio in Project Management, Identity Solution Assessments and Roadmap Planning, we now offer adoption frameworks, implementation blueprints and a maintenance structure."

The partnership between SystemDomain and Hitachi ID enables SystemDomain to provide Illinois businesses with industry-leading IAM and Professional Services in Cloud and Cybersecurity.

"We enable organizations to realize faster time to value and reduce risk with streamlined and secured identities and credentials," said Kevin Nix, Chief Executive Officer, Hitachi ID Systems. "The expertise and professionalism at SystemDomain sets a high standard and creates exceptional value for our clients."

Enterprises can flexibly deploy Hitachi ID IAM through on-premise or SaaS models to suit their business needs with the guidance and expertise of SystemDomain.
