MINNEAPOLIS , MINNESOTA, USA, July 15, 2020 /EINPresswire.com/ -- The Minnesota US Navy Veterans Mesothelioma Advocate is urging the family of a Navy Veteran with confirmed mesothelioma in Minnesota to call 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste. Erik Karst is one of the nation's leading mesothelioma attorneys and he will be able to develop a plan to ensure a Navy Veteran or person like this receives the best possible financial compensation results. Because of the Coronavirus---- many people who had or have mesothelioma may have been initially diagnosed with COVID-19. COVID-19 and mesothelioma have similar symptoms such as pneumonia, high fever, and shortness of breath.

The Advocate fears that because of the Coronavirus-Navy Veterans who are showing symptoms of this rare cancer are not going to see their primary care doctor-or if they do----they are getting diagnosed with COVID-19. If a Navy

Veteran finally does get diagnosed with mesothelioma-it probably is in an advanced stage. If your husband or you dad has just been diagnosed with mesothelioma in Minnesota please call attorney Erik Karst of Karst von Oiste at 800-714-0303-for much better compensation results.
