

Defeating COVID-19 at 100 Years Young: 100th Birthday Celebration at Suffolk County Skilled Nursing Center

PORT JEFFERSON, NEW YORK, UNITED STATES OF AMERICA , May 27, 2020 /EINPresswire.com/ -- Water's Edge Rehab & Nursing Center at Port Jefferson, a member of the CareRite Centers network, was proud to host a socially distant Birthday celebration for beloved resident Genevieve Peer, celebrating not only her milestone birthday of turning 100 years young on May 26th, but also for another amazing accomplishment- defeating COVID-19.

Born in Brooklyn, Genevieve was the youngest of 6 children, and as she grew up, she was instilled with a strong work ethic, holding multiple jobs throughout her life, retiring from ConEdison in 1970.

She lived in Brooklyn until 1976, when she joined her daughter on Long Island before joining the Water's Edge community.

"Upon coming to Water's Edge she took up a new hobby playing bingo, which she hardly misses a day, and looks forward to it," Administration shared. "She continues to crochet and remains sociable to everyone."

When Genevieve Peer was diagnosed with COVID-19, the team knew nothing could stop Genevieve; her strength, charisma, and spirit were going to overcome the diagnosis- and overcome she did.

Genevieve Peer defeated COVID-19, just in time to celebrate her 100th birthday on May 26th at Water's Edge Rehab & Nursing Center at Port Jefferson.
