

Iran: Defiant youth target centers of plunder and repression in Tehran and other cities

PARIS, FRANCE, May 27, 2020

/EINPresswire.com/ -- Despite the clerical regime's heightened repressive measures and desperate efforts and the launch of a wave of blind arrests in various cities, defiant youths have targeted several centers of repression and plunder in Tehran and other cities over the past week.

By setting alight the entrances of these centers, the defiant youth echo the anger and abhorrence of the Iranian people over 40 years of suppression and inhuman policies of the religious dictatorship ruling Iran.
