“

Creating celebrations is NOT a job to me, it's my passion... I simply love what I do!"

David Tuter

The Mother-of-the-Bride, Wanda Minken, a long-time follower of David, reached out to share details about her daughter, Andrea, a Connecticut Physician Assistant, working 65-80 hours a week in the Intensive Care Unit treating Covid-19 patients. Andrea gets up every morning at 4:30am to prepare for another day in the trenches, not returning home until after 7:30pm. "Every day is a physical

and emotional drain, shares Wanda, "but Andrea is a kind and compassionate young woman that treats all of her patients and families with dignity and grace, especially in these most desperate times." She is known to many as "A Warrior in Scrubs"!

Although her spirit is broken, and she is disappointed that she has had to postpone her wedding, Andrea believes her wedding is trivial compared to what is happening around her. This is where David comes in!

David will surprise the couple LIVE...and continue the process of planning, designing and executing the vision of their dream wedding...LIVE. "Creating celebrations is NOT a job to me, it's my passion...I simply love what I do!", says David. From planning to execution to providing all the elements they need, David and his team will work closely with the amazing partners he has brought together, to make sure that this special couple gets the wedding ceremony of their dreams, on the exact date of their original wedding, June 27, 2020.
