

VISUAL CONNECTIONS LLC HONORED AS BRONZE STEVIE® AWARD WINNER IN 2020 AMERICAN BUSINESS AWARDS®

Visual Connections was named the winner of a Bronze Stevie® Award in the Best Technical Support Solution category.

BALTIMORE, MD, UNITED STATES, May 28, 2020 /EINPresswire.com/ -- [Baltimore, Maryland] –

I am proud and know the future relies on data analytics and the ability to detect fraud and abuse, analyze trends in enrollments, and claims and eligibility to understand patterns and interpret trends”

Fred Deese, CEO

[Visual Connections](#), LLC (VC) was named the winner of a Bronze Stevie® Award in the Best Technical Support Solution category in the 18th Annual American Business Awards®.

The American Business Awards are the U.S.A.’s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small.

More than 3,600 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories,

including Startup of the Year, Executive of the Year, Best New Product or Service of the Year, Marketing Campaign of the Year, Live Event of the Year, and App of the Year, among others.

VC was honored as a Bronze Stevie Award winner in the category of Best Technical Support Solution for the Visual Connections’ Analytic Services Environment ([VCASE](#)), a sophisticated analytic platform environment that provides Platform as a Service (PaaS) to support VC’s clients’ data needs. VCASE won the award in the Computers Technology division. VCASE was recognized by the judges as a, “Great solution for the Health Care Industry for CMS systems!” In addition, the judges also commented by saying “VCASE has yielded positive results and the added capability to analyze data is great for making better decisions throughout the organization.” [Fred Deese](#), CEO of Visual Connections said, “I am proud of the team that created VCASE and know the future relies on data analytics and the ability to detect fraud and abuse, analyze trends in enrollments, and claims and eligibility, and to understand patterns and interpret trends.”

More than 230 professionals worldwide participated in the judging process to select this year’s

Stevie Award winners.
