

TCOM, L.P., Leader in Integrated ISR Solutions, Expands Global Footprint & Operations in the Middle East and Africa

TCOM, L.P. Expands Global Footprint in the Middle East and Africa; Appoints Mustapha Ouchen as Director of International Business Development.

COLUMBIA, MARYLAND, USA, May 28, 2020 /EINPresswire.com/ -- [TCOM, L.P.](https://www.einpresswire.com/TCOM-L-P), a global leader in persistent surveillance systems and ISR solutions, has announced a significant expansion of its global footprint and operations in the Middle East and Africa. To spearhead its growth, it has appointed Fortune 500-Veteran Mr. [Mustapha Ouchen](#), as Director of International Business Development for the Middle East and Africa.

Mr. Ouchen is a highly accomplished international business development executive with over 20 years of experience in successfully architecting strategic growth for global Fortune 500 technology companies in the Middle East and Africa. He fluently speaks English, Arabic, and French, and holds an MBA from Lewis University and a bachelor's degree in Finance from the Ecole Supérieure de Commerce in Marrakech.

Ouchen stated, "I am excited to join TCOM as it expands its global footprint in the Middle East and Africa to offer advanced C4ISR solutions that integrate innovative persistent lighter-than-air tethered surveillance platforms for mission-critical solutions for Air, Ground and Maritime Border Surveillance, Anti-Terrorism, Communications Intelligence, early-detection Missile defense, and other applications."

About TCOM

TCOM, L.P. is a global leader providing elevated solutions to enhance situational awareness. Since 1971, the company's pioneering innovations have defined the persistent surveillance and Lighter-than-Air industries. By blending leading-edge technology, manufacturing, and field operation capabilities, TCOM has provided ISR systems for the United States and foreign governments. Headquartered in Columbia, MD, TCOM has a Manufacturing & Flight Test Facility near Elizabeth City, NC, and a satellite office in Aberdeen, MD.

“

I am excited to join TCOM as it expands its global footprint in the Middle East and Africa to offer advanced C4ISR solutions that integrate innovative persistent surveillance systems.”
