*Hustle with a Purpose is Available Now on All Major Platforms*

LOS ANGELES, CALIFORNIA, UNITED STATES, May 29, 2020

/EINPresswire.com/ -- Damon, new uplifting artist, releases his debut song, "Hustle with a Purpose."

When he's not creating inspirational dance music, Damon is a healthcare worker. Damon created "Hustle with a Purpose" with his recent struggles relating to the COVID-19 pandemic and hopes to spread some light in a dark time.

In an effort to shine even more light on a difficult situation, Damon has created a scholarship associated with the song.

To enter, participants must post their own creative dance video to the new song, "Hustle with a Purpose" on Instagram or Facebook using "#classof2020hustle" and tag the school they're graduating from. Participants must be seniors graduating from either high school or college; the prize money will go towards tuition or paying off student loans.

For those not graduating but want to join in on the fun, post a video on Facebook or Instagram using "#hustlewithapurpose" to be entered to win a chance to be in Damon's next video.

Damon was excited to include his family on the project, saying "especially my nieces, I wanted to teach them the importance of giving back to their community. I also wanted them to know education is about more than what you learn in the classroom; it's the things you do outside the classroom are just as important."

"Hustle with a Purpose" is available now on [all major platforms](#). [Follow Damon on Instagram](#) for
