

Ohana Moments, The Premier Hand Crafted, Long Lasting Rose Shop Launches New Collection of Rose Boxes

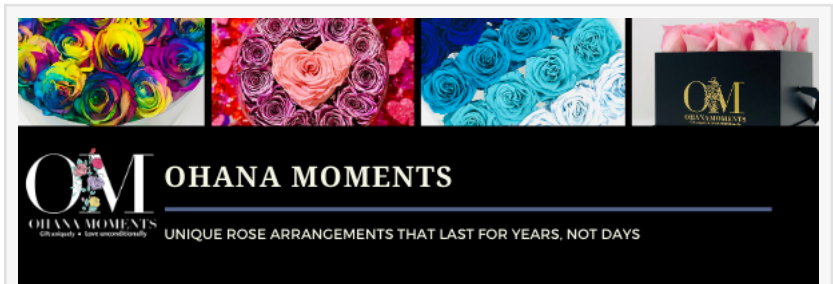

MIAMI, FLORIDA, USA, May 30, 2020 /EINPresswire.com/ -- Ohana Moments, a family owned small business specializing in unique and custom rose arrangements which last for years with no water, has launched a new collection of completely customizable arrangements in the classic Hat Box design.

Ohana Moments' new Hat Box Collection are designed and handcrafted by a gift specialist who creates custom patterns and designs using the finest all natural, preserved roses. The Hat Box Collection arrangements are available in Large and Medium as well as a variety of colors.

The new Ohana Moments Collections were inspired by co-founder Lissette Mendez's own hunt for unique and modern flower arrangements. After working at a traditional flower shop for over 6 years she saw a need for a more modern and customizable way to celebrate all of life's little moments.

Commenting on the new collection, Ohana Moments Co-Founder Lissette Mendez said, "We are so excited to be able to share a new way to gift uniquely and show your loved ones how much they mean to them with arrangements customized just for them!"
