LOS ANGELES, CA, USA, June 1, 2020

[/EINPresswire.com/](http://EINPresswire.com/) -- Chart-topping Reggae pioneers CHRISTAFARI have announced Ascend Masterclasses, equipping the next generation of musicianaries to grow and go! Taught online by CHRISTAFARI members, this four week, 40 class offering kicks off on Monday, June 1, and it is absolutely free. Sign up now at www.AscendMasterClasses.com.

"This is our boldest endeavor yet," says CHRISTAFARI founder Mark Mohr. "So many other masterclasses and online tutorials and workshops and seminars and things like that are things where they give you just a little bit for free and then they want to charge you. Every one of our classes is free. You can go sign up for one, or you can sign up for all. You can sign up on the first day, or you can sign up on the last day. The only thing you have to have is Zoom, a device you can Zoom on, and an email address to sign up."

The classes are taught from a biblical and evangelistic perspective. The first 45 minutes of each class is going to be a monologue, and the second 45 minutes is going to be a dialogue where the instructors answer questions.

“

This is our boldest endeavor yet."

"Our ultimate mission is to encourage others to equip others across all the nations to grow so they can ascend in their talents, their giftings, to go into all the world," says

ABOUT CHRISTAFARI: The band was founded in Los Angeles, CA by Mark Mohr in 1989. Avion Blackman joined as vocalist and bassist in 2003 shortly after she met Mohr in her home country of Trinidad and Tobago. CHRISTAFARI continues to be a dominating force in world music, with six albums debuting at #1 on the Billboard Reggae Albums Chart since 2012. After three decades, the Reggae pioneers are the all-time top-selling Gospel Reggae act worldwide. The legendary group has performed in 46 states, over 85 nations, at two Olympic Games, and at a Presidential Inauguration in Washington, D.C. The band has performed at most major Reggae and Gospel/CCM festivals with the top artists in the genres, and they've had the privilege of performing at many of the country's most prestigious venues such as L.A.'s Greek Theater, Dodger Stadium, and the steps of the United States Capitol before a crowd of 500,000. The band has been featured on The 700 Club, CNN, MTV, MTV Brazil, ABC, TBN, JUCE TV, BET, TBS, and many more. Their music is even featured in the current curriculum taught at Carnegie Hall.
