DICE Dental offers dental implants, dentures, extractions, and crowns in Springfield, PA

SPRINGFIELD, PA, UNITED STATES, June 2, 2020 /EINPresswire.com/ -- DICE

Dental offers affordable [dental](#)

[implants in Springfield](#), PA, starting at only \$750. The new [Delaware County dentist](#) specializes in dentures, implants, crowns, and extractions.

“By specializing in a small number of services, we improve efficiency and reduce overhead,” explains Dr. Katie Alger, owner and operator of DICE Dental. “We can then pass these cost savings on to our patients.”

By specializing in a small number of services, we improve efficiency and reduce overhead.”

Dental implants are one of the most popular cosmetic dentistry procedures available due to their natural appearance and high success rate. At DICE Dental, state of the art 3D technology helps ensure that implants feel

comfortable and look natural. Bone grafts and sinus lifts are also offered to improve the success rate of the treatment.

Other cosmetic procedures available from DICE include dentures starting at \$499, dental crowns starting at \$500, and extractions starting at \$99.

Dr. Alger and her team remain committed to providing quality patient care in a comfortable, accepting, and relaxed environment. To learn more about the services offered by the [Springfield dentist](#), schedule a consultation by visiting <https://dice-dental.com/schedule-an-appointment/>. New patients are being accepted.

About DICE Dental: DICE Dental is a cosmetic dentist in Springfield, PA. The practice is owned and operated by Dr. Katie Alger, a graduate of the University of Pennsylvania and Columbia University. She has made it her goal to reduce the barriers patients face when it comes to high-quality dental care. Using state-of-the-art technology, DICE offers dentures, implants, crowns,

and extractions (DICE) to patients in a relaxed, comfortable, and accepting environment. To learn more, visit <https://dice-dental.com/>.
