

# US Air Force's Captain Ray Reeves to present at Air Mission Planning & Support 2020

*SMi Reports: Key US Air Force speaker details announced for Air Mission Planning & Support conference*

LONDON, UNITED KINGDOM, June 2, 2020 /EINPresswire.com/ -- In the latest Flight Global news, 'US Air Force (USAF) chief of staff nominee General Charles Brown plans to make pursuit of the Pentagon's Joint All-Domain Command and Control (JADC2) battlefield network concept one of the service's highest priorities'\*. There is an emphasis to prioritise a joint battlefield network across domains, to maintain the military edge for joint operations with US Army and US Navy. The USAF is working hard on developing the Advanced Battle Management System (ABMS), to pursue a capability for all assets to support all services.

With that in mind, SMi Group's 11th annual [Air Mission Planning and Support](#) will reconvene in London on the [6th - 7th October 2020](#). Delegates will hear insight from key military figures from across the world speaking at the two-day meeting, where they will discuss their experience in air mission planning.

An Early bird discount of £300 is available for bookings made by 30th June 2020. Register at <http://www.airmissionplanning.co.uk/einPR9>

The two-day event will provide a holistic agenda in the field, providing in-depth discussions on; air force data management, multi-domain command and control, anti-access area denial, cyber security and many more.

A promotional poster for the 11th Annual Conference on Air Mission Planning and Support. The poster features a dark background with a fighter jet in flight. The text is in a bold, yellow, sans-serif font. At the top, it says 'SMi Presents the 11th Annual Conference on...'. Below that, the main title 'AIR MISSION PLANNING AND SUPPORT' is written in large, bold letters. Underneath the title is a photograph of a fighter jet in flight. Below the photo, the dates and location are listed: '6 - 7 OCTOBER 2020 | LONDON, UK'. At the bottom left, there is the SMi logo with the tagline 'LINKING BUSINESS AND INFORMATION'. At the bottom right, the website 'www.airmissionplanning.co.uk' is displayed.

Keeping in line with the topic of JADC2 battlefield network, SMi Group are proud to announce [US Air Force's Captain Ray Reeves](#), Assistant Director of Operations / Joint Terminal Attack Controller Evaluator, 13th Air Support Operations Squadron, as a speaker for this year covering 'The Future of Command and Control' emphasising:

- Why JADC2 replaced MDC2
- Current JADC2 efforts
- Proposed JADC2 design
- Building from the bottom-up
