

Registration Opens for Future Armoured Vehicles Survivability 2020

SMi Group's highly anticipated Future Armoured Vehicles Survivability conference will return to London for its 6th year this November

LONDON, UNITED KINGDOM, June 3, 2020 /EINPresswire.com/ -- SMi Group are pleased to announce the return of their [Future Armoured Vehicles Survivability](#) conference, which will return to London for its 6th year on 11th - 12th November 2020.

Building on the success of last year, the 2020 event will gather senior military and industry professionals to discuss the developments driving the protection of armoured vehicle platforms and personnel. As the only armoured vehicles conference dedicated to survivability, this conference will be a key date for all those in the field.

Plus, the event will once again host a dedicated pre-conference Active Protection Systems Focus Day on the 10th November, which will provide detailed and exclusive insight into how leading nations are integrating APS into their existing and future vehicle fleets.

Interested parties should register by June 30th to take advantage of the £300 early bird discount: <http://www.favsurvivability.com/EINpr1>

Highlights for 2020 Include:

- Listen to in-depth discussions which cover a diverse range of key survivability concepts
- Hear updates from senior programme managers about the latest survivability systems
- Learn about the most recent survivability developments and technologies from industry
