

EDRM Announces Divergent Language Solutions as Newest Partner

MINNEAPOLIS, MINNESOTA, UNITED STATES, June 4, 2020

/EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce Divergent Language Solutions as its newest partner.

Among the EDRM opportunities and resources available to partners like Divergent LS are the ability to connect, network and contribute via EDRM projects and events, share service and product offerings and enhance brand awareness to a global community comprised of the most knowledgeable, multidisciplinary professionals contributing to enhance e-discovery, privacy, security and information governance frameworks, processes and standards.

“

EDRM plays an important role in the global legal technology community, and with this partnership, we will provide our support to EDRM.”

Brandon Carney, founder and CEO, Divergent Language Solutions

“Brandon Carney has supported us at EDRM from the beginning of our tenure,” says Mary Mack, CEO and chief legal technologist at EDRM. “He and his team at Divergent Language Solutions bring scale and a precise workflow to allow practitioners in litigation, regulatory and pro bono activities to focus on the content of documents immediately. His bench for translation is deep to support the international nature of our EDRM community.”

This partnership allows Divergent LS access to the EDRM community, comprised of 33% corporations, 30% law firms and 23% software and service providers in 113 countries

spanning six continents.

“We are excited to partner with EDRM,” says Brandon Carney, founder and CEO of Divergent Language Solutions. “EDRM plays an important role in the global legal technology community,

and with this partnership, we will provide our support to EDRM with ideas, solutions and best practices for current and future projects along with industry education as a benefit for the community.”
