NEWARK, NJ, USA, June 5, 2020
/EINPresswire.com/ -- A salute to Leo Buscaglia and "Love."

Last week I received an update from Leo Buscaglia's aptly named Felice Foundation. Leo turned down our initial request for support for SACCO&VANZETTI. Disheartened but not defeated, I wrote back. In a few weeks his donation arrived in the mail. Especially poignant as this year is the Centennial of the arrest of SACCO&VANZETTI (1920-2020) whom we are remembering via cyber outreach.

Stephen Sondheim also turned 90 this year. We honor him as he recognized other artists with his support. When I first asked him he turned me down. A second time I received his letter with a check. Over time he donated signed copies of his CD's which became raffle gifts. We began a multi-year correspondence. Thus began years of support.

"Begging for Bucks" was a memorable Arts Journal headline that I never forgot. Many times there is no response. Others give once, many have all made a difference in my life large or small. Especially these days during COVID 19. Love always makes a difference.

Forecast: Stormy Weather.
