Transportation Authority, and Hollywood's seven major movie studios.

In 2003, he received the most prestigious honor of being inducted into the Trial Lawyer Hall of Fame by the California State Bar. Mr. Girardi is a Member of the Board of Directors and former President of the prestigious International Academy of Trial Lawyers, an invitation-only worldwide organization, limited to 500 trial lawyers. Mr. Girardi is also the first trial lawyer to be appointed to the California Judicial Council, the policymaking body of the state courts.

Albeit, one of the most influential lawyers of our time, Girardi amorously sites Perry Mason as one of his earliest childhood law inspirations. "He was a lawyer on television, 7pm on Saturday night and I would watch that show every Saturday," states Girardi.

In one of Girardi's better-known cases against Pacific Gas & Electric, the utility company agreed to pay \$333 million to 650 residents of the desert community of Hinkley, California. The residents blamed incidents of cancer and other diseases on contaminated water leaked from a gas pumping station. This case was the inspiration for the film Erin Brockovich starring Julia Roberts.
