normal, the <u>Oil & Gas Leadership and Success Virtual</u> <u>Summit</u> was realised so that the industry could remain connected and engaged to be able to address the challenges but also network ideas and solutions.

With the aim of bringing together top Oil and Gas Business Experts, Industry Thought Leaders, Independents, Government, Key Stakeholders, Strategic Thinkers and Operational Leaders; the Oil & Gas Leadership and Success Virtual Summit is designed to take you on a step-by-step journey throughout the Oil and Gas Value Chain on how to deal with the current crisis, adapting to a new world order

and how to succeed going forward.

Five days' worth of content and presentations will include interviews and panel discussions with C-Suite and Senior Executive leaders covering a broad range of topics with the objective to help you navigate the current problems being faced within the industry and gain a better understanding of how to move forward strategically.

The Summit is an online-only event and you can choose to watch it live or on demand at your leisure. There is no travel, no approval forms to complete, and no re-scheduling of meetings so that if you attend, you will have a week's of work to catch up on.

Get in touch for more information on how to use our virtual platform to profile your company, brand, service or product, and gain targeted exposure to the Oil & Gas Industry Leaders, Influencers and Potential Clients, with our Sponsor & Exhibition Packages designed for your budget.
