SAN DIEGO, CALIFORNIA, USA, July 28, 2020 /EINPresswire.com/ -- The California US Navy Veterans Mesothelioma Advocate is appealing to the wife or adult son-daughter of a Navy Veteran with recently diagnosed mesothelioma anywhere in California to not roll the dice on compensation. The Advocate has endorsed attorney Erik Karst the founding partner of the law firm of Karst von Oiste to make certain a Navy Veteran with mesothelioma receives the best possible financial compensation results. For an individual who spent three or four years in the navy mesothelioma compensation might exceed a million dollars. For a career Navy Veteran who spent decades in the navy who now has mesothelioma-the compensation might be in the millions of dollars. For direct access to attorney Erik Karst please call 800-714-0303.

The Advocate says, "We have endorsed attorney Erik Karst of the law firm of Karst von Oiste because he and his

colleagues have been representing Navy Veterans and people with mesothelioma for decades and they are responsible for over a billion dollars in compensation for people like this.
