HOUSTON, TEXAS, UNITED STATES, June 9, 2020 /EINPresswire.com/ -- Father's Day is fast approaching and people are ready to celebrate, but don't know what to give the dads in their life. The team at The Houstonian have cooked up a new package that will make any dad feel relaxed and appreciated: a special massage at [Solaya Spa & Salon](#) and a proprietary dry rub from [TRIBUTE](#) for his next BBQ. The package, dubbed "The Ultimate Rub," is available for \$160 and includes a 50-minute CBD massage and bottle of Texas Dry Rub.

Your favorite dad will love the 50-minute CBD massage, a treatment focused on reducing inflammation throughout the body and releasing muscular tension and pain. The massage incorporates the amazing benefits of CBD plus natural ingredients and essential oils. As an added bonus, dad's therapist will address his specific needs from therapeutic to deep tissue massage techniques, giving him the reset he needs.

What really makes this the gift that keeps on giving is TRIBUTE's Texas Dry Rub. Created by Executive Chef Neal Cox and his team, this dry rub is delicious on steak, pork, chicken, fish and more, and includes a proprietary mix of dried chile and spices that dad will enjoy long after his time on the massage table and is sure to up his grilling game.
