

Malaysia's Mudajaya Group certified for ISO 37001 Anti-Bribery Management System by ABAC Center of Excellence

KUALA LUMPUR, MY, June 11, 2020

[/EINPresswire.com/](https://www.einpresswire.com/) -- Mudajaya Group Bhd, a leading construction-property-independent power production company, has successfully attained ISO 37001:2016 Anti-Bribery Management System certification. The announcement was made by [ABAC](#) Center of Excellence Sdn. Bhd. after conducting a comprehensive risk assessment and examination of Mudajaya's Group anti-bribery policies and procedures. The process followed directives put forth in ISO 37001:2016, and Mudajaya met and exceeded the standard's requirements.

The Scope of Certification includes the following: Provision of Corporate Management, Property Development & Management Services, Construction

and Project Management Services for Building and Civil Engineering Works, Manufacturing & Supply of Precast Components for Construction Industries and Concession Assets Investment.

"At Mudajaya Group, our mission includes a commitment to meeting international standards and the expectations of our stakeholders," said Ir. James Wong Tet Foh, Mudajaya Group Managing Director & CEO. "For us, that means standing against bribery and corruption with the highest level of integrity and transparency. Earning ISO 37001 certification is a perfect way for Mudajaya to demonstrate that commitment."

Zafar Anjum, Group CEO at ABAC Center of Excellence Sdn. Bhd., said that Mudajaya Group demonstrated the highest standards in preventing and detecting bribery and corruption to achieve ISO 37001 certification. "I salute Mudajaya Group for implementing the principles provided by this world-recognised, respected certification."

ABAC Certification

ABAC Center of Excellence Sdn. Bhd. "ABAC Certification" services are accredited by the United Kingdom Accreditation Service (UKAS CB number: 10613), making it the leading certification body specialising in global anti-bribery and anti-corruption, risk and compliance management system standards. There is a strong likelihood that ISO 37001 Anti-Bribery Management System will continue to set the pace for a globally recognised "adequate procedures" standard for corporations embroiled in corruption litigation proceedings. However, for now, the most powerful "assurance" tool that public and private sector organisations can use in their defence strategy is ISO 37001 [ABMS](#) certification.
