With her ability to break down complex spiritual and emotional dynamics into their simplest form, this book can surely benefit many considering the circumstances with which we live in society today.

Tracee specializes in teaching others to address and embrace their energy dynamics through soul excavation. This wisdom will inspire change on every level", states Tracee. This book will help you unearth the very core of what drives you, divulging how to direct its power into usable, life-giving resources for you and all your relations.

- Encourage self-love through radical acceptance.
- Reveal what your spiritual patterns are and how to use them to your benefit or change what no longer serves you.
- Show you how to create the life you want through accepting others as they are, releasing shame, and finding tolerance.
