

RM Leopad Sdn Bhd certified for ISO 37001 Anti-Bribery Management System by ABAC Center of Excellence

KUALA LUMPUR, MALAYSIA, June 15, 2020 /EINPresswire.com/ -- [ABAC](#) Center of Excellence Sdn Bhd announced today that RM Leopad Sdn Bhd, a Malaysian-based group offering corrosion protection services for the energy industry, has successfully attained ISO 37001:2016 Anti-Bribery Management System certification.

RM Leopad is a property of Malaysia Petroleum Resources Corporation (MPRC), established to advance the local oil and gas services and equipment (OGSE) industry and transform Malaysia into a thriving regional hub for the sector. The Leopad group of companies provides services ranging from blasting & painting, insulation, passive fire protection, thermal spray application, refractory works, cathodic protection, and scaffolding works, as well as other specialised services for the industry.

ABAC Certification

ABAC Certification conducted a comprehensive examination of RM Leopad's anti-bribery policies and procedures, as per the directives laid out in ISO 37001:2016 [ABMS](#) and the local regulatory requirements and has certified RM Leopad for complying with these requirements.

"RM Leopad Sdn Bhd is very proud to achieve this ISO 37001:2016 certification," said D.K. Guru, CEO of RM Leopad. "By this we have demonstrated that we are strongly committed to the highest standards of integrity and transparency in all our activities. This is a testimony of RM Leopad's quest to incorporate this into our work culture both locally and internationally."

Zafar Anjum, Group CEO at ABAC Center of Excellence Sdn. Bhd., announced the certification in a

statement: "ABAC Certification is proud to certify RM Leopad for their commitment to ISO 37001's anti-bribery and anti-corruption management standards." Zafar said. "By implementing principles and procedures of ISO 37001:2016 ABMS, RM Leopad has demonstrated the highest level of compliance in preventing and detecting bribery."
