We have countless stories of people meeting at Crashpadz and eventually going on to get married, working in the tech industry and even starting their own businesses. Here, we believe Black Lives Matter and are here to support the black community. We also support the work of our fellow law enforcement officers who risk their lives to protect all of us. We extend a hand to all who may be in need of a place to stay whether it is for a day or a year we can accommodate you. We also understand that while unemployment is at an all time high and people are desperately looking for a place to live because they have recently lost their job or source of income, and therefore do not have enough to move to a new location.
