

3 Weeks to Go Until 'Revolutionising Test and Evaluation in Defence: Why Digital is the Way Forward' Webinar Takes Place

SMi Reports: A free webinar led by QinetiQ will take place in just three weeks' time, on 8th July 2020 at 3pm BST

LONDON, UNITED KINGDOM, June 17, 2020 /EINPresswire.com/ -- QinetiQ is a company of scientists and engineers who offer world-class expertise in advice, services (particularly test and evaluation) and innovative technology-based products. They operate primarily in the defence, security and aerospace markets, and their customers are predominantly government organisations, including defence departments, as well as international customers in other targeted sectors.

QinetiQ have a wealth of experience, unique science and engineering expertise, and will be sharing this in a [free webinar](#) in just three weeks' time.

The webinar, 'Revolutionising Test and Evaluation in Defence: Why Digital is the Way Forward,' will take place on 8th July at 3pm BST (4pm CET / 10am EDT).

With the pace of innovation becoming an increasingly dominant factor in deterring aggression and winning battles, getting capability from the drawing board to the front line quickly and cost-effectively is now recognised as being fundamental to modern warfare.

With this in mind, the free webinar will discuss some of the trends and challenges within Test & Evaluation and explore how a digital revolution must be embraced to ensure allied nations continue to outpace adversaries.

The graphic is a dark-themed promotional poster for a webinar. At the top left, the word 'QINETIQ' is written in white. At the top right, the 'SMi' logo is present with the tagline 'LINKING BUSINESS and INFORMATION'. The main title, 'Revolutionising Test and Evaluation in Defence: Why Digital is the Way Forward', is centered in white. Below the title, the date and time '8TH JULY 2020 | 3pm BST \ 4pm CET \ 10am EDT' are listed. The central image shows three silhouetted figures in military gear standing on a field at sunset, with a drone flying in the sky. A circular graphic with a drone icon is overlaid on the figures. At the bottom right, it says 'A free webinar hosted by QINETIQ'. At the bottom, the website 'www.defencetestevaluation-webinar.com' is displayed in white.

Revolutionising Test and Evaluation in Defence: Why Digital is the Way Forward [WEBINAR]

Interested parties can sign up for the webinar at <http://www.defencetestevaluation-webinar.com/EINpr2>

The webinar will be hosted by 3 experts from QinetiQ:

- Cathy O'Carroll MSc, BSc, MRAeS, Global Campaign Director – Integrated Test & Evaluation, QinetiQ
- Dr Adrian Britton, Global Lead Solution Architect Integrated Test & Evaluation Campaign, QinetiQ
- Adam Whitby MEng, CEng, MRAeS, Global Lead Modelling and Simulation, QinetiQ

The webinar will cover:

- An overview of global trends and how T&E must evolve in response
- The future vision for a digitally integrated T&E enterprise
- How exploiting digital twins can provide early confidence in the design phase
- How a Live, Virtual, Constructive capability can provide evaluation and training confidence at military capability level

Registrations close in just three weeks; free tickets can be secured at:
