

BVM Completes Four Years in Business

BVM celebrates four years of rapid expansion.

HOUSTON, TEXAS, USA, June 16, 2020

/EINPresswire.com/ -- BVM

(www.brazosvalleymarketing.com) is celebrating four years of service.

When founder and owner Dustin Ogle return to his home state of Texas to open BVM, he envisioned helping local business owners transform their marketing models through the power of digital SEO. Not only did Texas embrace the concept and Ogle's unique SEO (search engine optimization) process, referrals, and his reputation quickly grew the company to encompass 11 cities in the state. Within four short years, BVM has expanded to service Houston, Austin, Dallas, San Antonio, Sugar Land, The Woodlands, Frisco, Fort Worth, Lubbock, Plano, and El Paso.

"We are excited about the expansion and success, but the best part is being embraced as an Aggie owned and operated company across the state," says founder and owner Dustin Ogle. "There is nothing we love more than supercharging companies all over Texas by showing business owners how to leverage SEO. This digital tool can be used by any company of any size to get proven results. Being able to help Texas entrepreneurs be successful is what we are all about."
