launching on June 20, 2020. The company offers high-quality fine fragrances, cruelty free makeup, scented soy candles, room deodorizers, and skincare for women and men. In addition to the skincare and personal care product lines, the company also offers classic Swiss made timepieces. These timepieces offer both luxury and opulence.

“I am ecstatic at the launch of ATTYYA,” said Attya Guiles, the founder of ATTYYA. “Since first dreaming about this

company, this has been a labor of love.

“ATTYYA is more than a company, more than products, it a sense of elegance, grace, and sophistication in each of the products that we offer,” continued Guiles. People will sense this with each of product offerings that was developed with a personal touch that will connect with customers.

Available online, ATTYYA will bring beauty and confidence to both women and men. The ATTYYA brand prides itself in its commitment to diversity, inclusivity, individualism, and expressionism. The company desires to help women and men be their most confident and beautiful without having to fit themselves in traditional definitions of beauty and provide luxury level quality at a price that suits their budget. From bold and dramatic, to subtle and daring, ATTYYA has products for everyone that will accommodate all budgets. The company will introduce a number of brands. Their first brand is Logan La Belle Lashes.

The company’s founder, Attya Guiles is a former educator. She believes in celebrating the beauty and diversity of others and educating others about the importance of seeing their own individual beauty.

Products can be found on the company’s website on June 20th at [www.attyyalimitedco.com](http://www.attyyalimitedco.com)
