

Abyde joins Crystal Practice Management to expand HIPAA compliance among users

TAMPA, FLORIDA, USA, June 17, 2020 /EINPresswire.com/ -- Abyde has announced a new partnership with Crystal Practice Management, an EHR and billing platform for optometrists, delivering Abyde's Industry-leading HIPAA compliance software solution to Crystal Practice Management users.

This partnership will provide Crystal Practice Management (PM) users with

the tools necessary to implement a complete HIPAA compliance program, fulfilling essential, government-mandated HIPAA compliance requirements while streamlining providers' time and resources spent on HIPAA. Abyde's collaboration with Crystal PM showcases their mission to revolutionize HIPAA compliance by providing a simple, user-friendly solution that fits perfectly with eye care providers' day to day operations.

“

We know that HIPAA compliance is a common gap among providers, and we're thrilled to help Crystal PM users remove the stressors of trying to comply with complex HIPAA requirements.”

“We know that HIPAA compliance is a common gap among providers, and we're thrilled to help Crystal PM users remove the stressors of trying to comply with complex HIPAA requirements,” said Matt DiBlasi, President of Abyde. “HIPAA compliance is essential for a practice's success, especially now, and we are honored to be a part of Crystal PM's offerings.”

Abyde's software solution is the easiest way for any sized eye care practice to implement and sustain comprehensive HIPAA compliance programs. The revolutionary approach

to HIPAA compliance guides providers through mandatory HIPAA requirements such as the Risk Analysis, HIPAA training for doctors and staff, managing Business Associate Agreements, customized policies, and more.

“Crystal Practice Management continues to focus on helping our providers save time and resources while getting the best solutions possible, and the Abyde program fits squarely into

that goal,” said John Knaus, CEO of Crystal Practice Management, “We are thrilled to partner with an organization and solution that will provide instant value to our users.”
