

South Dakota US Navy Veterans Lung Cancer Advocate Has Endorsed the Lawyers at Karst von Oiste to Help a Navy Veteran with Lung Cancer in South Dakota with Compensation if He Had Heavy Exposure to Asbestos

SIoux FALLS, SOUTH DAKOTA, USA, August 5, 2020 /EINPresswire.com/ -- The South Dakota US Navy Veterans Lung Cancer Advocate says, "We have endorsed the lawyers at the law firm of Karst von Oiste to help a Navy Veteran or person in South Dakota to get compensated if a person like this had significant exposure to asbestos in the navy or at work prior to 1982. Financial compensation for a person like this might exceed \$100,000 even if they smoked cigarettes. The typical person we are trying to identify is over 60 years old. If this sounds like a friend or family member in South Dakota please share this press release with them and ask them to call the lawyers at Karst von Oiste anytime at 800-714-0303.

"The lawyers at the law firm of Karst von Oiste have been assisting Navy Veterans and people with asbestos exposure lung cancer and mesothelioma for decades and they are responsible for over a billion dollars in compensation results for a person like this. If your family member had heavy exposure to asbestos decades ago in the navy or at work and they

now have lung cancer-please call the lawyers at the law firm of Karst von Oiste anytime at 800-714-0303. This is definitely worth your time."

Veterans Lung Cancer
Advocate*

According to the American Cancer Society for nonsmokers who have been exposed to asbestos in their workplace the risk of lung cancer is five times that of unexposed workers. <https://www.cdc.gov/cancer/lung/statistics/index.htm>.

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind

of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact." <https://USNavyLungCancer.Com>

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode Island, Alabama, and Delaware. www.karstvonoiste.com/

For more information about asbestos exposure please visit the NIH's website on this topic: <https://www.cancer.gov/about-cancer/causes-prevention/risk/substances/asbestos/asbestos-fact-sheet>.
