

Top Five Reasons to attend Unmanned Maritime Systems Technology 2020

Smi Reports: SMi Group have released their top five reasons to attend the upcoming Unmanned Maritime Systems Technology Conference in London, this November

LONDON, UNITED KINGDOM, June 18, 2020 /EINPresswire.com/ -- This year's Unmanned Maritime Systems Technology Conference, taking place on the 25th-26th November 2020 in London, UK, will include a comprehensive discussion on the UK's UMS development pipeline and delegates will receive updates from high-level planners from international navies, including the US, Portugal, Spain, Sweden, NATO, Netherlands, and more.

The [two-day programme](http://www.umsconference.com/pr5ein) is available to online at <http://www.umsconference.com/pr5ein>

Top five reasons to attend:

- 1) Delegates will hear from senior naval officers on the latest advancements in unmanned and autonomous technology including the Director NavyX (Captain Chris Ling, Royal Navy)
- 2) This year's agenda features comprehensive briefings on autonomy for MCM and ASW operations, updates on key unmanned platform programmes, the future of unmanned capabilities in the Royal Navy (including a dedicated panel), preparing and supporting unmanned systems for operations, UMS interoperability initiatives, unmanned hydrography and oceanography, and many more.

Unmanned Maritime Systems Technology 2020

3) This is the only event with a holistic focus on [unmanned naval systems](#) across the air, surface and undersea domains. Learn about the latest developments in unmanned underwater vehicles (UUVs), unmanned aerial vehicles (UAVs) and unmanned surface vehicles (USVs), and the projects enhancing their operational capacities.

4) Key commercial partners are set to present on their latest products and technology including Leonardo, Elmo Motion Control, Intrepid Minds and Ocean Infinity.

5) Delegates will have the opportunity meet and network with military and industry decision makers in unmanned systems, from Flag Officers to naval engineers and technical researchers.

For those interested in attending, there is a [£300 early bird](#) discount ending on 30th June. Register at <http://www.umsconference.com/pr5ein>
