

ProtectedIT Chief Executive Damian Ehrlicher accepted into Forbes Technology Council

Forbes Technology Council Is an Invitation-Only Community for World-Class CIOs, CTOs, and Technology Executives.

CHICAGO, IL, UNITED STATES, June 18, 2020 /EINPresswire.com/ -- ProtectedIT

Chief Executive Damian Ehrlicher has been accepted into Forbes Technology Council, an invitation-only community for world-class CIOs, CTOs, and technology executives.

“

I am honored to be included in the Forbes Tech Council and to represent ProtectedIT as a Managed Security Services Provider.”

Damian was vetted and selected by a review committee based on the depth and diversity of his experience. Criteria for acceptance include a track record of successfully impacting business growth metrics, as well as personal and professional achievements and honors.

“We are honored to welcome Damian Ehrlicher into the community,” said Scott Gerber, founder of Forbes Councils, the collective that includes Forbes Technology Council.

“Our mission with Forbes Councils is to bring together

proven leaders from every industry, creating a curated, social capital-driven network that helps every member grow professionally and make an even greater impact on the business world.”

As an accepted member of the Council, Damian has access to a variety of exclusive opportunities designed to help him reach peak professional influence. He will connect and collaborate with other respected local leaders in a private forum. Damian will also be invited to work with a professional editorial team to share His expert insights in original business articles on Forbes.com, and to contribute to published Q&A panels alongside other experts.

Finally, Damian and ProtectedIT will benefit from exclusive access to vetted business service partners, membership-branded marketing collateral, and the high-touch support of the Forbes Councils member concierge team.

"I am honored to be included in the [Forbes Tech Council](#) and to represent ProtectedIT as a Managed Security Services Provider," says Damian Ehrlicher. "The value of being part of this community of technology leaders is tremendous with education, resources and the network being leading factors."
