FT. LAUDERDALE, FLORIDA, USA , June 19, 2020 /EINPresswire.com/ -- [Exults](#), a digital marketing agency located in Fort Lauderdale, Florida, donates to the [American Civil Liberties Union](#) (ACLU) in support of the collective and ongoing Civil Rights movements. For almost a century, the ACLU has been our nation's "guardian of liberty" and has worked tirelessly with the judicial system, legislative bodies, and local communities to defend individual privilege and freedoms guaranteed by the Constitution and the laws of the United States.

Exults donates to the American Civil Liberties Union (ACLU) in support of the collective and ongoing Civil Rights movements.

Exults' contribution will help champion the efforts of the ACLU's Racial Injustice program, which specifically "aims to preserve and extend constitutionally guaranteed rights for individuals who have historically been denied those rights on the basis of race."

Aligning with the ACLU – one of the nation's foremost defenders of civil rights and liberties – in support of equality made total sense for us as an organization,"

Zach Hoffman, the CEO and Founder of Exults

Given the recent events that have unfolded across the US over the past month – the leadership and staff of Exults felt compelled to be a proactive agent of change and affirm its position as an advocate for diversity, inclusion, and equality.

"Aligning with the ACLU – one of the nation's foremost defenders of civil rights and liberties – in support of

equality made total sense for us as an organization," said Zach Hoffman, the CEO and Founder of Exults. "Recent events have heightened our nation's focus – the world's focus – on many critical issues, including institutional inequities."

With Juneteenth, the oldest national celebration commemorating of the ending of slavery in the United States, approaching, Exults hopes to build awareness on the importance of educating and

connecting with a need for diversity and to celebrate black history and accomplishments.

Exults is proud to support the ACLU in its daily battle to eliminate all forms of injustice and create a better world for everyone.
