

# Accounting Seed Iris Release Brings New Salesforce Connection and MTD with Avalara

*Accounting Seed launched a new product release, Iris, offering new technology for nonprofits, the U.K. market, and more.*

COLUMBIA, MARYLAND, UNITED STATES, July 1, 2020 /

EINPresswire.com/ -- [Accounting Seed](#), the most popular accounting platform powered by Salesforce since 2011, launched a new product release, Iris, offering new technology for nonprofits, the U.K. market, and more.

“

Our U.K. customers can now be compliant with Making Tax Digital (MTD) through our enhanced connection to Avalara. Iris offers exciting enhancements to serve our ever-changing customer base.”

*Tony Zorc, Founder and CEO  
of Accounting Seed*

With the [Iris release](#), Accounting Seed is now the only accounting solution in the Salesforce ecosystem that can, through a native connection, allow nonprofits using the Nonprofit Success Pack (NPSP) to seamlessly connect the front and back office.

“The Iris release brings great benefit to nonprofits on Salesforce with the new integration to the Salesforce Nonprofit Success Pack,” said Tony Zorc, Founder and CEO of Accounting Seed. “Plus, our U.K. customers can now be compliant with Making Tax Digital (MTD) through our enhanced connection to Avalara. All in all, Iris offers exciting enhancements to serve our ever-changing

customer base.”

Key features coming with Iris include:

- Salesforce’s NPSP connection
- Making Tax Digital (MTD) compliance through Avalara integration
- Header-level posting for billings and payables
- Scheduled posting of source records
- Cash application enhancements
