

# Villarreal Law Firm, a Leading Personal Injury Lawyers in the Rio Grande Valley, Announces New Spanish-language Pages

*The Villarreal Law Firm is a team of hard-working lawyers who represent plaintiffs in injury litigation. The firm is announcing new Spanish-language pages.*

BROWNSVILLE, TEXAS, UNITED STATES,  
June 30, 2020 /EINPresswire.com/ --  
The Villarreal Law Firm

(<https://jvlawfirm.net/>), a team of assertive accident lawyers supporting Brownsville, Texas, and surrounding areas in Cameron County such as Harlingen, San Benito, and South Padre Island, is proud to announce new Spanish-language content. Many residents of the Rio Grande Valley speak Spanish and thus do not necessarily search for an 'accident attorney' but rather the

Spanish equivalent of an 'abogado de accidentes' in Brownsville. The new content will help them find a hard-working 'abogado' or attorney who may be able to help them in their litigation.

“

Our staff speaks both Spanish and English.”

*Javier Villarreal*

“Our staff speaks both Spanish and English,” explained

attorney Javier Villarreal, a managing partner at the Villarreal law firm. “We want our clients to feel comfortable in whatever language suits them, so that being a Spanish-speaker is not an obstacle to securing one's rights in a court of law after an accident. For this reason, we are announcing new content in Spanish.”

Most of the new content can be found on the blog at <https://jvlawfirm.net/blog/>. An example is at <https://jvlawfirm.net/si-ha-sufrido-una-lesion-personal-necesitas-una-consulta-gratuita/> and is entitled, “Si Ha Sufrido Una Lesión Personal, Necesitas Una Consulta Gratuita,” which translates in English to be “If One Has Suffered a Personal Injury, A Consultation May be Needed.” Like the posts in English, the new posts in Spanish focus on common questions and answers that potential clients may have about hiring an attorney in a personal injury case. The most common question is about any fees or charges for a consultation and then subsequently how much it costs to have legal representation after an accident. The answer is that the initial consultation costs nothing, and in most cases, the attorneys get paid, if and only if, they win the litigation. In

this way, hiring an attorney after a car or other accident is of little cost. Spanish speakers can also check out the newly updated Spanish language information pages such as at <https://jvlawfirm.net/practice-areas/abogado-accidentes-automovilisticos/> and at <https://jvlawfirm.net/practice-areas/abogado-lesiones-personales/>. In these ways, the Villarreal Law Firm is making it easy for non-English speakers to secure legal representation after an accident.
