LOS ANGELES, CALIFORNIA, UNITED STATES, June 25, 2020 /EINPresswire.com/ -- The [Open Hearts Foundation](#), co-founded by actress/philanthropist Jane Seymour, OBE, announced the second round of funding from the [Emergency Relief Fund](#). This Fund provides immediate grants to non-profits on the frontlines who are serving women and children during the COVID-19 pandemic.

In April, the Foundation established the Fund and provided an initial total investment of \$100,000 to six non-profits in California and New York. This second round of grants adds to the total investment through the Fund bringing it to \$207,000. With these funds, the Foundation has invested more than \$1,156,000.00 in its grant making history. Since the Fund was established, more than seventy nonprofit charities requested support through a Letter of Intent application process with a total request of more than \$900,000.00. The Foundation will continue to review grants in a third round of funding with 100% of the proceeds from its current fundraising efforts.

Tim Mallad, Interim Board Chair of the Foundation's Board of Directors, expressed, "The Open Hearts Foundation's mission and philosophy was born out of a difficult time. We are a small foundation with an enormous mission. Throughout our decade plus history we have been shoulder to shoulder with those experiencing adversity, working hard to make a difference in their lives. What started as a pandemic has now evolved into something even more, and we are poised to act once again. I am very proud to be part of an organization that is so forward thinking and so committed to the greater good."

Jane Seymour, Co-Founder and Board member, stated, "When the COVID-19 pandemic began in March, the world was not prepared for its impact. The Open Hearts Foundation has actively responded with a wide variety of support from virtual volunteerism, movements like the #OpenHeartedChallenge, and this Emergency Relief Fund. I am thrilled the Foundation can support these worthy charities in our second round of funding impacting the lives of vulnerable people across the United States. We must continue this important work and I invite everyone to do what they can whether it's helping their neighbor, donating to the Fund, or bidding in our

[online art auction.](#)"
