

Registration is now open for the 21st Annual Military Airlift and Air-to-Air Refuelling Conference

SMi Reports: The agenda has been released for this year's Military Airlift and Air-to-Air Refuelling Conference, taking place in Seville, Spain, this December.

LONDON, LONDON, UNITED KINGDOM, June 25, 2020

/EINPresswire.com/ -- As strategic and heavy airlift continues to drive expeditionary capability – the market capitalisation of this mission critical sector continues to grow. Delivering 'boots on the ground', as well as military support to civilian authorities in the recent COVID-19 epidemic, means that there has never been a more important time to view how armed forces, industry and governments are developing this force multiplier.

With this in mind, SMi Group are pleased to announce the return of the 21st Annual [Military Airlift and Air-to-Air Refuelling](http://www.military-airlift.com) conference and exhibition, taking place on 1st-2nd December 2020 in Seville, Spain, where key upgrade programmes for the A400M are underway.

For those interested in attending, the biggest early bird discount of £400 is expiring on Tuesday 30th June 2020. Register at <http://www.military-airlift.com/pr1>

Conference Chairman:

A promotional poster for the 21st Annual Military Airlift and Air-to-Air Refuelling Conference. The background is a clear blue sky with several military aircraft in flight. The largest aircraft is a white military transport plane, likely an A400M, flying towards the right. Two smaller fighter jets are flying in formation to its left. The text is overlaid on the top half of the image. At the top, it says '21st Annual...' in a smaller font. Below that, the main title 'MILITARY AIRLIFT AND AIR-TO-AIR REFUELLING' is written in large, bold, blue, sans-serif capital letters. Underneath the title, the dates and location '1 - 2 December 2020 | Seville, Spain' are written in a smaller, black, sans-serif font. At the bottom of the poster, the website 'www.military-airlift.com' is displayed in a bold, black, sans-serif font.
