for Missions) College of Theology, now entering our 14th year of offering affordable Christian accredited degrees globally online in English and Spanish is accepting applications for the next school term starting in September and graduation in May 2021. We offer a unique, engaging, transformative, experiential atmosphere where students learn along with others from various nations. Our school offers key distinctives that set us apart from the typical school. (Check our website to learn more about those distinctives at www.cmmtheology.org)

We have graduated many nation changers, both in ministry and secular jobs. We also have had many experienced pastors and leaders who attended traditional schools or seminaries when younger and hunger to grow in the living Word and Holy Spirit experience a 'rebirth' in their passion and zeal for the presence of the Lord in their life, family and ministry. Many called to the business, education and government sectors have also found creative strategies to help them impact their 'sphere' of influence in the marketplace with the character of Jesus Christ.

Our school is great for busy, working families who don't want to leave their families, home or jobs to earn their [advanced degree](#). We offer Associates, Bachelors, Masters, Doctoral, and Ph.D. degrees. Now accepting applications for classes starting in September 2020. Classes also available in Spanish.
