

New Mexico Mesothelioma Victims Center Appeals to the Family of a Navy Veteran with Mesothelioma in New Mexico to Call for Direct Access to Attorney Erik Karst of Karst von Oiste-Skilled Lawyers-Better Compensation

SANTA FE, NEW MEXICO, USA, August 17, 2020 /EINPresswire.com/ -- The New Mexico Mesothelioma Victims Center says, "We are appealing to the wife or adult son-daughter of a Navy Veteran who has recently been diagnosed with mesothelioma in New Mexico to please call 800-714-0303 anytime for direct access to attorney Erik Karst of the law firm of Karst von Oiste. Erik Karst is one of the nation's leading mesothelioma attorneys and he specializes in assisting Navy Veterans with this rare cancer caused by asbestos exposure. Financial compensation for a Navy Veteran can frequently exceed a million dollars.

"The reason we are appealing to the family of a Navy Veteran with mesothelioma in New Mexico to assist their loved one is because--the average age of person with this rare asbestos exposure cancer is 72 years old. We fear that because of the Coronavirus people with mesothelioma are waiting too long to begin the financial compensation process. We do not want a Navy Veteran or person with mesothelioma in New Mexico or anywhere in the country to delay financial compensation.

"Attorney Erik Karst of Karst von Oiste will be able to walk a person with mesothelioma or their family through the compensation process as well begin the compensation process. We think a person with mesothelioma in New Mexico or their family will find Erik Karst of Karst von Oiste to be a remarkable resource. For direct access to attorney Erik Karst of Karst von Oiste please call 800-714-0303 anytime." www.karstvonoiste.com/

Victims Center*

The New Mexico Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim anywhere in New Mexico including communities such as Albuquerque, Santa Fe, Taos, Rio Rancho, Las Cruces, Roswell, or Farmington. www.karstvonoiste.com/

For the best possible treatment options in New Mexico we strongly recommend the following health care facility with the offer to help a diagnosed victim or their family get to the right physicians at the hospital we have indicated: The

University of New Mexico Cancer Center, Albuquerque, New Mexico: <http://cancer.unm.edu/> .

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, mesothelioma does happen in New Mexico.
